To mark the 60th Anniversary of Sri Lanka Library Association (SLLA) in the year 2020, an International Conference on Library and Information Science (ICLIS 2020) is organized by the SLLA. ICLIS 2020 is a platform for sharing research findings and knowledge of library and information professionals from different sectors in Sri Lanka. This conference will enable young researchers and librarians to understand the role of libraries in transforming societies.

One of the important objectives of the conference is to materialize the concept and proposals in the real world context with possible level of novel technology embedded in the library sector. We cordially invite library professionals and researchers to submit papers and attend the conference.

Submission of Paper
Authors are advised to send their contributions as extended abstracts or full papers. The manuscripts can be accepted in Sinhala, Tamil and English. Those who wish to submit their articles in Sinhala or Tamil should attach a separate abstract in English. All the articles should be sent to the Editor of ICLIS through email (editoriclis2020@gmail.com) in MS-Word file. Contributors should adhere to the guidelines appearing on the website (www.slla.org.lk/iclis2020) to prepare their manuscripts.

Acceptance of Paper
Papers submitted will be subject to open-peer review by the Editorial Committee, and sent to a double-blind peer review by a panel of experts. Papers will also be subject to anti-plagiarism check, thus any paper that infringes the intellectual property rights will be rejected. Only the accepted papers will be published.

Registration
